WALLER COUNTY CODE RED COMMUNITY NOTIFICATION ENROLLMENT (CNE) PAGE

The Waller County Office of Emergency Management encourages you to join the Code Red Community Notification Enrollment program. This system allows you to get emergency updates when emergencies arise. Emergency notifications can be sent to your cell phone, home phone, and email, please know this is a voluntary no-cost program and not mandatory. Your personal information will be securely placed into a database and is not accessible to us or any third party. Below is information on how to sign up for Code Red, you may also sign up from the main Waller County Website.

The secure, customized Community Notification Enrollment (CNE) page allows residents and businesses to add or update their contact information to ensure they will be included when a message is sent – unlisted numbers, mobile numbers, TDD/TTY requirements can all be entered.

To register visit one of the following links:

The CodeRED Mobile Alert App

The link below will allow citizens to download the **FREE** CodeRED Mobile Alert app. When sending out a CodeRED Alert, it's a great idea to push out that alert through the Mobile Alert App as well so anyone visiting or traveling through your area that has downloaded the App will receive the alert as well!
